Use the space below to provide a brief bio describing professional experience or areas of expertise related to involvement in continuing education and particular role, e.g., planner, presenter, administrator, etc.

Marie Abraham is a senior policy and program specialist for the Institute for Family-Centered Care. Since joining the Institute in 1996, her work has included providing consultation to health care organizations that are working toward patient- and family-centered change, assisting with the development of resource materials and the Institute's web site, and co-authoring articles and publications. Marie serves on the core planning team and as faculty for Institute seminars and as a senior member of the planning committee for the Institute's international conferences. In addition, since 1998, Marie has served as faculty or consultant for various quality improvement learning collaboratives sponsored by the Vermont Oxford Network, the Institute for Healthcare Improvement, and NICHQ.
