Table with 4 columns: Degree, Institution (Name, City, State), Major Area of Study, Year. Rows include BA (Yale, History, 1984), MPH (Yale, MCH, 1988), and DrPH (Johns Hopkins, Health policy, 1994).

Use the space below to provide a brief bio describing professional experience or areas of expertise related to involvement in continuing education and particular role, e.g., planner, presenter, administrator, etc.

Dr. Scholle is responsible for overseeing the development and implementation of NCQA's research agenda. Dr. Scholle is a health services research and previously served as Associate Professor of Psychiatry at the University of Pittsburgh. Her research interests focus on assessing quality of health care and understanding consumer perceptions and preferences in health care, particularly for women and families. Dr. Scholle has participated in planning meetings for educational conferences related to cultural competence and disparities at NCQA as well as through prior academic work.
