Use the space below to provide a brief bio describing professional experience or areas of expertise related to involvement in continuing education and particular role, e.g., planner, presenter, administrator, etc.

Dr. Daniel Hyman currently serves as the Chief Quality Officer at The Children's Hospital in Denver, Colorado. He was previously the Chief Children's Quality Officer and the Chief Medical Officer for Ambulatory Care at New York Presbyterian Hospital. Prior to that, he spent 13 years in general pediatric practice in the Philadelphia area, and during that time also served as Medical Director for the PHO at Children's Hospital in Philadelphia. Dr. Hyman has worked with NICHQ in numerous roles, including serving on the Strategic Policy and Advisory Committee as well as moderating the NICHQ listserv and teaching as a faculty member in various improvement collaboratives. He also serves on the Child Health Quality Council for NACHRI and on the Steering Committee for the Quality and Safety Leaders Forum for CHCA.
