

Christiane Levine RN, BSN, BA is a Senior Process Improvement Consultant at Children's Healthcare of Atlanta. Working at Children's for 10 years, she has spent the majority of the time in the ER and as a Trauma Specialist; also working in the PICU and NICU. Before coming to Children's she worked in post partum care. She has passed the Six Sigma Green Belt training and is currently working on her certification project. Her projects include working with Lean principles in healthcare, working with the patient safety team, facilitating the implementation of the Rapid Response Team, Pediatric Early Warning Score, and working with a team to standardize transfer of care system wide. She spends time outside of work volunteering with The Malaria Foundation to help educate about Malaria and eradicate the disease.
