

DeeJo Miller came to be involved with children's healthcare after her daughter's cancer diagnosis in 2004. In 2006 she became a volunteer parent and eventually joined the Family Advisory Board at Children's Mercy Hospital in 2007. DeeJo was hired as a Family Centered Care Coordinator in February 2008. Having spent over 300 days with her daughter as an inpatient inaugurated her into the healthcare system while allowing her to maintain the point of view of families. She brings this unique perspective to her job.
