Use the space below to provide a brief bio describing professional experience or areas of expertise related to involvement in continuing education and particular role, e.g., planner, presenter, administrator, etc.

I am is a full time practicing pediatrician in the west coast of Florida. I have a keen interest in Quality Improvement, especially relating to primary care office practices. In 2003 I was awarded the honorable mention of the Quality of Care Award from the American Academy of Pediatrics for his work on improving care for the medically underserved patients in Manatee County, Florida. He has also received the Award for Excellence in Health Care Improvement from the The Florida Children's Quality Improvement Initiative in 2006.

He has been faculty for the Open Access collaborative in North Carolina for The Center for Children's Health Care Improvement.

At the moment I server on the Steering Committee of Quality Improvement and Management of the American Academy of Pediatrics. I am a part of the AAP's Work Group on the Patient Centered Medical Home that worked with NCQA, ACP, AAFP and AOA on the Joint Principles of the Patient Centered Medical Home. At the moment I am also part of several NCQA advisory panel's including the Patient Centered Medical Home, Child Health.
