

Linda Taloney

Linda Taloney has been a Patient Advocate Manager for 12 years at Children's Mercy Hospital & Clinics. She was instrumental in starting the Family Advisory Board in 2003. She started the Teen Advisory Board in 1999. Linda has a Master's degree in Psychology. She is also an instructor, facilitator and a mediator. She is passionate about her work and strongly believes that patients and families are a hospital's most valuable resource.
