Use the space below to provide a brief bio describing professional experience or areas of expertise related to involvement in continuing education and particular role, e.g., planner, presenter, administrator, etc.

Ms. Ustianov has over 5 years of experience as a Project Director with the National Initiative for Children's Healthcare Quality and the Vermont Child Health Improvement Program. This has provided Ms Ustianov with an extensive knowledge in QI as she directed local and national projects focused on improving outcomes for pregnant women and their families. Ms Ustianov is currently clinically active in The Birthing Center, Fletcher Allen Health Care, Burlington, Vermont and is an active volunteer in her community. Ms. Ustianov has four daughters and lives in Vermont with her husband, Alex.
