

Agenda

National Network of Perinatal Quality Collaboratives Annual Summit Thursday, Nov. 29 and Friday, Nov. 30 CDC – Roybal Campus 1600 Clifton Road, Atlanta, GA

Annual Summit Objectives

By the end of this meeting, participants will:

1. Describe progress to date towards state’s development of a “fully functioning” PQC
2. List two lessons learned and pitfalls to avoid in state PQC journey to becoming a “fully functional PQC”
3. Name two practical strategies to accelerate improvement in reducing disparities
4. Describe two ways to engage and learn from family partners in quality improvement

Thursday, November 29, 2018 9:00 – 5:00 pm ET			
Time	Topic & Objectives	Speakers	Location
8:00 am	Registration, Breakfast and Poster Setup		
9:00 am	Welcome and Introductions	Barbara Murphy, MSN, RN Kathleen Rice Simpson, PhD, RNC, FAAN RADM Wanda Barfield, MD, MPH Michael Warren, MD, MPH Video Remarks: Robert Redfield, MD	Auditorium B3
9:20 am	The Power of PQCs: Our Vision for Improving Perinatal Care <ul style="list-style-type: none"> Build will to maximize learning from 2-day meeting Prepare to transform perinatal care with successful PQCs 	Elizabeth Coté, MD, MPA Zsakeba Henderson, MD	Auditorium B3
9:30 am	A. The New PQC Journey <ul style="list-style-type: none"> Describe lessons learned from successful PQC experiences State 3 pitfalls to avoid from early PQC efforts 	Moderator: William Sappenfield, MD, MPH, CPH Featured PQCs: <ul style="list-style-type: none"> Charlene Collier, MD, MPH, MHS <i>Mississippi</i> Barbara O’Brien, MS, RN <i>Oklahoma</i> 	Auditorium B3

	H3. Clinician champions	Barbara Murphy, MSN, RN	Auditorium B3
11:05 am	Break & Transition to Breakout Session 2		
11:15 am	I. Breakout Session 2: PQC Drivers <ul style="list-style-type: none"> Identify key strategies that will achieve the specific PQC driver aim Develop a testable change to achieve the specific PQC driver aim 		
	I1. Primary Driver 1: Engagement and Buy in	Carole Lannon, MD, MPH	Auditorium B3
	I2. Primary Driver 2: Launching Initiatives	Pooja Mehta, MD, MSHP	245 & 246
	I3. Primary Driver 4: Quality Improvement Methods	Munish Gupta, MD, MMSc	247
	I4. Primary Driver 6: Sustainability	Barbara Murphy, MSN, RN Marilyn Kacica, MD, MPH	248
12:05 pm	Lunch & Networking		

1:05 pm	J. Breakout Session 3: Clinical Topics		
	<ul style="list-style-type: none"> Discuss evidence-based changes and ‘better’ practices that will improve care for targeted patients and their families 		
	J1. Reducing Preterm Birth	Jay Iams, MD	245
	J2. Opioid Use Disorder/ Neonatal Abstinence Syndrome	Michael Marcotte, MD Michele Walsh, MD	Auditorium B3
	J3. Reducing Unnecessary C-sections	Elliott Main, MD William Sappenfield, MD, MPH	246
	J4. Neonatal Infection Control/ Antibiotic Stewardship	Marty McCaffrey, MD, CAPT USN	247
	J5. Obstetric Hemorrhage & Hypertension	Ann Borders, MD Kathryn Menard, MD, MPH	248
1:55 pm	Transition		
2:05 pm	Breakout Session Debrief	Elizabeth Coté, MD, MPA	Auditorium B3
	<ul style="list-style-type: none"> Report out from breakout discussions with 1-2 practical strategies that other teams could test 		
2:35 pm	Break		
2:50 pm	K. Reactions, Reflections, and Final Sharing	Emma Smizik, MPH Zsakeba Henderson, MD	Auditorium B3
	<ul style="list-style-type: none"> Address any remaining questions, concerns, issues Share reflections and any additional strategies not addressed in previous session 		
3:30 pm	Closing Remarks/Call to Action	Marybeth Fry, M.Ed Lelis Vernon Zsakeba Henderson, MD	Auditorium B3
	<ul style="list-style-type: none"> Prepare for activities and next steps to accomplish aims 		
3:45 pm	Adjourn		

ACCREDITATION STATEMENTS:

CME activities with Joint Providers: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Centers for Disease Control and Prevention and the National Institute for Children’s Health Quality. The Centers for Disease Control and Prevention is accredited by the (ACCME®) to provide medical education for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Centers for Disease Control and Prevention designates this live activity for a maximum of 8.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Funding for this event was made possible by the Centers for Disease Control and Prevention. The views expressed in written event materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services or NICHQ, nor does the mention of trade names, commercial practices or organizations imply endorsement by NICHQ or the U.S. Government.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides 7.6 contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer 0.9 CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to 8.5 total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are 0. CDC provider number 98614.

For Certified Public Health Professionals (CPH) The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 3 CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters with the exception of Dr. Profit, and he wishes to disclose that he is the Grant Recipient of 3 NIH R01's and with the exception of Dr. Buus-Frank, and she wishes to disclose that she is the Executive Vice President of Vermont Oxford Network. Planning committee reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of Dr. Iams' discussion of progesterone and Dr. Walsh's discussion of opioids. Dr. Iams will be discussing progesterone that may include use of compounded 17-OHPC and vaginal progesterone formulations used off-label —both have been the subject of clinical trials and are well known. Dr. Walsh will be discussing opioids for neonatal abstinence syndrome.

If CNE Joint Provider: The Centers for Disease Control and Prevention and the National Institute for Children's Health Quality are jointly providing the CNE for this activity.

CDC did not accept commercial support for this continuing education activity.

In order to receive continuing education (CE) for CM146 please visit [TCEO](#) and follow these [9 Simple Steps](#) before 11/29/2020.

Complete the Evaluation at www.cdc.gov/GetCE

FEES: There are no fees for CE.

Funding for this event was made possible by the Centers for Disease Control and Prevention. The views expressed in written event materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services or NICHQ, nor does the mention of trade names, commercial practices or organizations imply endorsement by NICHQ or the U.S. Government.
